St Elizabeth Hospice

Reg. Charity No. 289154

St Elizabeth Hospice improves life for people in East Suffolk, Great Yarmouth and Waveney living with a progressive or life-limiting illness.

Our work is centred on an individual's needs, which means specialist support, whenever and wherever it is needed, whether at home, in the community or at the hospice. Through medicine and therapy we ease pain; we give life purpose and make life liveable.

Each year it costs around

£12.9 million

to deliver all our care services.

70% *of our hospice costs have to be raised by us.*

30% *comes from services commissioned by the NHS.*

Why an owl?

The inspiration came about as the hospice team felt the popular view of owls being knowledgeable and wise creatures linked to the support St Elizabeth Hospice has provided patients and families since 1989, whilst taking them under the wing of its care.

Ipswich also has a strong connection with owls courtesy of the popular figures of Mabel and Matilda the tawny owls seen in Christchurch Park for many years.

Wild in Art is the leading producer of spectacular public art events that entertain, enrich, inform and leave a lasting legacy. It brings together businesses and creative sectors with schools and local communities through the creation of uniquely painted sculptures.

WILD IN ART

Wild in Art events have:

- Enabled over £19.5m to be raised for charitable causes
- Injected £2.4m into local creative communities
- Engaged over 950,000 young people in learning programmes
- Helped millions of people of all ages to experience art in non-traditional settings

For more events, visit wildinart.co.uk | @wildinart

The Trail map is a guide and all Big Hoot and Little Hoot locations are correct at time of print. @Wild in Art and St Elizabeth Hospice have made every effort to ensure information is correct and accurate and we cannot accept responsibility in respect of errors, omissions, cancelled events or injured owls. As this is a public event, our hoots may have to fly away to their nests or move to new locations. Some Big Hoots and Little Hoots are located inside venues; please check with venues in advance for opening times.

The Big Hoot's LITTLE HOOT
IPSWICH 2022

As you walk the trail look out for our parliament of Little Hoots!

The Little Hoots form part of the community and education programme and is running alongside the Big Hoot.

The programme saw 65 schools and groups in Suffolk take part. The children, young people and group members got inspired and creative to design their very own Little Hoot statue which you will see out on the trail.

For the duration of the trail the fantastic Little Hoots can be found displayed in shop windows of independent retailers across Ipswich for everyone to see!

Can you visit ALL of the Little Hoots as well?

Download the App!

For those who prefer to play online, the Big Hoot app can be downloaded from the App Store or Google Play for just £1.99!

This is a great fun way to track down all the Hoots; use the map to navigate round town and enter the unique 4-digit codes to collect sculptures as you go.

Don't forget to look out for a range of special rewards and offers, only unlocked when certain sculptures are collected!

And please make sure you say 'YES' to notifications when you first install the app, this way you'll be able to receive trail related updates and announcements across the whole campaign.

WIN a Big Hoot!

Fans of St Elizabeth Hospice's Wild in Art sculpture trails are in for a treat, as the hospice has launched a raffle for entrants to be in with a chance of winning a Big Hoot sculpture.

As part of the Lucky Ticket raffle, which is open until 16 September, supporters can enter to be in with a chance of winning the Big Hoot statue, 'Nocturne', which has been designed by Ipswich artist, Loïs Cordelia.

KEEP Moving SUFFOLK

Being active is good for your mind and body. Every minute of activity counts – and the more you do, the more you'll benefit.

Well done for taking part in the Big Hoot Art Trail. You're on your way to being happier and healthier because exercise delivers immediate mental health and social benefits and has a long-term positive impact on your physical health.

Being active can boost your energy, lift your mood, improve your sleep and make you feel happier.

If the Big Hoot has inspired you to walk, hop, skip, jump, scoot, cycle, run or jog more then head over to *www.keepmovingsuffolk.com* for more inspiration, information and ideas on ways to be active. It's your call!

Why not try the Active 10 App on the trail?
It's designed to quickly, and simply, help you do more brisk walking in bursts of ten minutes. It tracks all your walking and rewards your progress. Download free from the App Store and Google Play.

Exercise strengthens muscles and bones and helps you maintain a healthy weight.

Did you know, physical activity builds confidence and social skills, as well as helping to develop coordination?

Being active improves sleep and makes you feel good.

Physical activity and exercise boosts brain power, improving concentration and learning.
